EDITORIAL NOTE

AJELLS is a journal that is entirely committed to the advancement of research in Language and Literary studies. As a rule, the articles are subjected to constructive criticism/peer-reviews and editing prior to acceptance and publication. Adequate attention is also given to originality, language level and appropriate organization of facts. Articles submitted to **AJELLS** should not have been either submitted or published elsewhere.

It is important to note that genuine efforts were made to review the articles published in this edition but the responsibility of authorship and originality or serious errors lies with individual researchers whose articles are published in this edition. The journal accepts book review.
