

## **Guard Your Heart**

Hearts hack heavily  
for failing flat  
without wrapped wisdom!

Pain pricks pushily  
nesting needle-needs  
tattooed tamelessly!

Simply scream seamlessly,  
slashing smartly some  
devoted dotting-doubts!

Sift smartly some  
thin thwarted thoughts  
yelling yet yearning!

Squeak so strainedly  
heating hacksters' head  
with wrathful wisdom!
