

Your Dream

Your idle fancy is an amorous
attachment of the mind!
The human mind is a vineyard of dreams~~
empty dream, flat dream, duplex dream, mansion dream
and estate dream randomly built on earth~~
red-brown, solodic, podzolic and soloths.
Choose graciously,
your wild conceit has a strong
connection with your earth!

Ifeoma Ezinne Odinye, PhD

Senior Lecturer, Department of Language and Literature

Nnamdi Azikiwe University, Awka, Nigeria
